

EXCELLENT SCHOOLS DON'T JUST HAPPEN... *THEY'RE CREATED!*

HELP RECOGNIZE AND PROMOTE THE IMPORTANCE OF PARENT INVOLVEMENT IN YOUR SCHOOL.

Parents and teachers have a tremendous impact on a child's success in school and in life. Just imagine the possibilities when these two most important people in a child's education work together!

Parent Involvement Schools of Excellence Certification will help all schools in the nation assess their parent involvement practices, make improvements where needed, and earn one of two distinctions:

- **Certification of Excellence**, for schools that have outstanding parent involvement practices in place.
- **Recognition of Commitment**, for schools that are committed to pursuing excellence in parent involvement.

Every child deserves to attend a School of Excellence.

To make sure your school earns this distinction, take the first step.

Establish a team, including parents, a teacher, student, the principal, and a community member, and complete the assessment, available in the Parent Involvement area of

www.pta.org

You'll be on your way to achieving the highest standards for parent involvement.
